AAMI STADIUM

At a glance

Situated in the North Eastern and Southern corners of the ground, the AAMI Stadium Superscreens reach a captive and enthusiastic audience of up to 55,000 people.

Both business and consumer viewers are exposed to Superscreen advertising as telecasts are made to TV monitors throughout all eating and leisure areas, and the 252 corporate facilities on site. This marks the highest level of exposure in Australia relative to its capacity.

The AAMI Stadium Superscreens can enhance branding and support existing television campaigns as well as provide an invaluable link with the AFL.

Capabilities include:

Television Commercials, Pull Through Messages, and Static Billboards.

Superscreen Scheduling

Television Commercials (TVCs): 60 second, 30 second, 15 second. placed in short commercial breaks just prior to the start of the game, during Quarter, Half and Three-Quarter Time and immediately after the game.

Pull Through Messages:

10 second messages containing less than 8 words and logo (recommended) Relying on repetition, these messages

are played at the bottom of the screen during the live action of the game.

They are available in 4x10 second packages and 8x10 second packages.

Static Billboards – with live voice over:

Similar to outdoor billboards, Static Billboards have the added capability of live voiceovers. They can be effective and economical to produce.
